

MediCopy Online - Forms

Add MediCopy to your Website

MediCopy's online presence begins at www.medicopy.net. You can direct patients from your website to MediCopy's website or disability form completion page at medicopy.net/forms. The disability form completion page outlines delivery methods for Disability/FMLA forms, allows patients to authorize the completion of forms if required, gain access to our contact information, as well as other helpful resources such as a live chat feature.

We have partnered with MediCopy to complete Disability/FMLA forms. MediCopy is fully HIPAA compliant and adheres to all state and federal regulations concerning form completion.

Disability/FMLA Forms

Forms are \$30 for the first form and \$15 for each additional form turned in at the same time. After payment is received, Disability/FMLA forms are completed and sent to the requestor within three business days.
